Contractor:		

I certify that my site plan includes everything on neighboring properties that are within the surcharge area of proposed wall(s).

I hereby certify that I have read and examined this permit and that the information provided by me is true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
